INT. SOFTBALL FIELD - DAY  
(WILL, MAGGIE)

WILL  
(animated)

...and it was settled out of court

MAGGIE

So those cocky Harvard jocks get  
millions of dollars for doing nothing

WILL

Facebook is worth billions, it's a  
drop in the bucket.

MAGGIE  
(angerly)

I don't believe.

WILL

Look it up, Maggie.

MAGGIE  
(skeptical)

I think I will.

WILL

I want you to play for the company  
softball team.

MAGGIE

What? But I can't.

WILL

Sure you can, you come from an  
athletic family.

MAGGIE

Yeah, but that's my parents. I  
couldn't possibly-

WILL

Of course you can and you will. I have  
you playing second base.

MAGGIE

(after a moment)

My parents are alcoholics.

WILL

(concerned)

Oh. I'm sorry. I...

MAGGIE

It's okay. You couldn't have known.

WILL

(trying to break the  
awkwardness)

I just happened to notice your  
athletic build and the team is short  
one player.

MAGGIE

Thanks, boss...you know, for noticing.  
I always wanted to play but my parents  
were just so busy with the drinking  
that I never learned to catch.

WILL

To catch?

MAGGIE

Yeah. I can hit but I wouldn't want  
to let the guys down by not being able  
to catch.

WILL

Maggie, it's time you met the rest of  
the team.

WILL TURNS HIS HEAD AWAY.

WILL (CONT'D)  
(yelling)

Line up, boys!

MAGGIE

But I just told you, I can't catch.

WILL  
(confidently and assuredly)

If you can catch a cock, you can catch  
a softball.

YOU CAN SEE THE LINED UP GUYS STARTING TO UNZIP AND APPROACH  
AS MAGGIE GETS DOWN ON HER KNEES. SHE LOOKS BACK OVER HER  
SHOULDER TO WILL.

MAGGIE  
(after a beat)

Thanks, Will.

WILL

You're welcome.

WILL BEGINS TO TURN AROUND AND WALK THE OPPOSITE DIRECTION.

MAGGIE

Hey boss!

WILL TURNS BACK AROUND

MAGGIE (CONT'D)

Aren't you going to get in line?

WILL

My wife just left me so I'm gonna need  
some time and some-

MAGGIE

Girl-on-girl action?

WILL

Yeah.

SHE NODS HER HEAD AND GETS BACK TO BUSINESS.

BLACKOUT
