**BREAKING BAD CRITICS**  
**BY SEAN TAYLOR 9/19/2013**

INT. CONVENTION CENTER - DAY

(EMCEE, SKELLS, VINCE, DR. WILSON, BRIAN, BARRY, ELIOT)

VINCE GILLIGAN IS STANDING BEHIND EMCEE

EMCEE

We now have come to the Q&A portion of the evening, let me invite Breaking Bad Creator Vince Gilligan back up to the mic. If you have any questions, just raise your hand.

EMCEE FINDS THE HAND OF SKELLS

EMCEE (CONT'D)

You, sir.

SKELLS  
(on something)

Hey, yeah, I'm Skells and I'm a user-well, former meth user and I first wanted to give you props for not being afraid of showing drug use on your show.

VINCE

Thank you.

SKELLS

Yeah, my question is, why did you stop showing drug use on your show?

VINCE

Um. We felt that folks were more interested in the characters which were mostly on the production and distribution side of things.

SKELLS

Booo!!!!

EMCEE

Let's do another question.

EMCEE FINDS DR. WILSON

EMCEE (CONT'D)

You, sir.

DR. WILSON

Mr. Gilligan, my name is Dr. Sam Wilson and I'm a chemist at Dow chemical and I wanted to first commend you featuring exciting chemical reactions on the program.

VINCE

Thank you.

DR. WILSON

My question is, why did you stop featuring exciting chemical reactions on the program?

VINCE

Well, uh, it's really the same  
chemical reaction everytime - they're  
making meth, so we decided to focus on  
the characters.

DR. WILSON

That's a load of horse shit!

EMCEE

Okay, looks like we got another one  
over here.

EMCEE CALLS ON TWINS BRIAN AND BARRY

BRIAN

Hi, I'm Brian and here's my brother  
Barry but you can call us Bromine and  
Barium.

BARRY

We're huge fans of those elements on  
the periodic table.

BRIAN

And we just wanted to thank you for  
using those exact elements in title  
sequence.

VINCE

Sure.

BARRY

Our question is why don't you use them  
in the rest of the show?

BRIAN

Yeah, like why tease everyone?

VINCE

(sigh) From what I understand, meth is only contains carbon, hydrogen, and nitrogen so-

BARRY

So you're a fucknut

BRIAN

Suck our ass!

EMCEE

I'm sorry, Vince. Here you, the elderly gentleman in the coat.

EMCEE POINTS TO ELIOT

ELIOT

(British accent)

The name is Eliot Weatherwax and I'd like to applaud you for setting the show in post World War I England and addressing the class system within a single British estate.

VINCE

I think you're thinking of Downton Abbey.

ELIOT

My question is, have you ever thought about animating the show? That's the way I like to see my porn.

VINCE

Sir, I think you're mistaken.

ELIOT

I think you can eat my cunt, you bloody wanker!

EMCEE

And that's about all the time we have with Mr. Gilligan. Don't forget to watch the last two episodes of Breaking Bad and try not to write sketches after 5am.

BLACKOUT.
